Commissioner for Patents
PO Box 1450
Alexandria, VA 22313-1450

Sir:

In applicants' response filed on March 23, 2009, new independent claims 9 and 10 were added. The Advisory Action mailed on April 7, 2009 makes no mention of new claims 9 and 10. Applicants presume that this is because the Amendment was not entered. However, the Examiner is requested to carefully consider the limitations of these claims when the case is next evaluated.

If there are any questions regarding this communication, such questions can be addressed by telephone to the undersigned.

Respectfully submitted,

STAAS & HALSEY LLP
